# Why Lexmark?

Founded in 1991 from an IBM heritage in Lexington, Kentucky, Lexmark is focused on delivering tailored solutions to solve the unique challenges businesses face. Lexmark's broad portfolio of high-quality products, solutions and services help improve productivity, increase efficiency and empower employees to perform at their best.

## Make a lasting impression with award-winning color

The documents you print define an important image—yours. That's why Lexmark color MFPs help businesses be more productive and stand out with vibrant color. With the ability to print professional-quality color in-house, you can add instant impact and save costs by virtually eliminating the need to outsource print jobs. Lexmark also offers a host of color-access and control tools to manage cost.

## Eco-responsible

Printing responsibly means everyone wins—your business, your budget and the environment. Lexmark's award-winning products are designed for ease of use, high quality output and reliable performance, with innovative capabilities that help you minimize the number of cartridges you use over the life of

the printer and conserve paper and energy. Our goal is to design, package and deliver innovative products and solutions in an environmentally responsible manner.

The Lexmark Cartridge Collection Program is active around the world providing a variety of methods for free returns of your empties to Lexmark or our collection partners. Our goal: Make it easy to do the right thing.

## Environmental protection is a shared responsibility

Through our work with industry groups, Lexmark helps guide the formation of standards and guiding principles for environmental sustainability.

### Our memberships include:

- AeA Europe
- American National Standards Institute (ANSI)
- Ecma International
- Electronics Industry Citizenship Coalition (EICC)
- European Information & Communications Technology Industry Association (EICTA)
- Information Technology Industry Council (ITI)
- ITI Environmental Leadership Council

# Overview

## Affordable color output

The Lexmark XS925de delivers high quality 11x17 color multifunction performance. Enjoy the benefits of vibrant, professional-quality output on a wide variety of media, allowing you to do more color printing in-house.

- PANTONE® calibration for consistent color tones
- Named Color Replacement for easy color matching
- Supports media up to 11.7 x 48 inches (banner)
- Lexmark Color Care Technology to manage color usage and control costs

## Easy and intuitive

The Lexmark XS925de is designed for easy operation and maintenance.

- Extra large, easy to navigate 10.2-inch color touch screen provides audible and tactile feedback to make completing tasks intuitive
- Print and scan preview features help you select documents or specific pages within a document
- Ability to change settings, such as duplex, at the device

- Robust connectivity makes it easy to integrate into almost any network environment
- Sleep Button and Hibernate Mode to reduce energy costs
- Device management software available

## Business productivity

The Lexmark XS925de combines high-performance printing, copying, scanning and faxing with time-saving solution applications designed to boost your productivity.

- Print and copy speeds as fast as 30 ppm in both black and color
- Advanced copy functions include the ability to interrupt long print runs to make a quick copy, and proof the first copy set before completing your copy job
- Scan to multiple destinations, including scan to email, scan to FTP, scan to fax, scan to network, and more
- Preloaded applications to drive greater efficiency, and Lexmark Embedded Solutions Framework to further extend the capabilities of the device

# Solutions

## Save time and money through solutions

Reduce unnecessary printing and simplify work processes through Lexmark solutions. The XS925de features the Lexmark Embedded Solutions Framework (eSF), our platform that enables you to add a wide range of software applications directly onto the device. Solutions are designed with your productivity in mind, helping you streamline—or even eliminate—paper intensive business processes.

## The right touch

The Lexmark e-Task color touch screen is a key access point to your device. The extra large customizable 10.2-inch interface gives you the ability to preview thumbnails of documents prior to printing, as well as change print jobs at the device. You can even view, select and print specific pages within a document directly from the touch screen. Its easy-to-use, intuitive navigation provides fast access to the functions and shortcuts.

The following are a few of the Lexmark solutions available through your authorized Lexmark Business Solutions Dealers:

### Showroom

Display a customizable, scrolling slideshow on the color touch screen to promote your business or products, or to communicate important messages to your customers or employees.

### Card Copy

Save time and effort in copying identification cards, licenses and insurance cards by automatically scanning, enlarging and copying both sides of a two-sided card onto one side of a sheet of paper.

### Change Background

Change the touch screen background to your corporate logo, custom images, a unique message or select from preloaded screens.

The following are solutions that come preloaded on the XS925de:

### Forms and Favorites

Eliminate waste and inefficiencies associated with preprinted forms. Store frequently printed forms, marketing materials or other documents online, then print them on demand.

### Scan to Network - Basic

Scan a hardcopy document and route the image to one of 30 predefined personal or public shared network folders.

# Vertical Solutions

## Professional-quality output is only part of the story

By leveraging our industry expertise, you can generate efficiency and increase productivity across business processes to gain the power you need to move ahead. Lexmark technology solutions are tailored to your business environment—where business interactions and decisions are happening.

Empower your employees with workflow solutions that refine work processes, capture critical data and deliver information to the right place, at the right time and in the right format.

Contact your Lexmark Business Solutions Dealer for specific vertical solutions.\*

## Keep sensitive information and documents secure

Lexmark builds network devices with security in mind to protect your data and documents throughout your entire workflow. Our wide range of security functions include device management, device hardening and device operation.

**Device management.** Tools include administrative access and passwords, HTTPS, SNMPv3, IP security (IPSec) and 802.1x support to remotely monitor and manage device usage.

**Device hardening.** Includes port filtering, TCP connection filtering, hard disk encryption, hard disk wiping and digitally signed firmware updates that enhance the security of the device's network interface.

**Device operation.** Reduce vulnerabilities with authentication and authorization features, address book lookup via LDAP over SSL and device lockout for protection of user information.

**Lexmark has shown its strength and leadership with respect to security.**

- Forming and chairing the group that created the IEEE 2600 standards for security on hardcopy devices
- Becoming the first hard-copy device manufacturer to take a holistic approach with the National Information Assurance Partnership (NIAP) Common Criteria evaluation

\* Optional software available. Licensing fees may apply.

# Key Features

Features that help you optimize your work

**Lexmark XS925de color MFP**  
shown with optional paper drawers.

## 1. 10.2-inch, color touch screen

Operate your device with ease and confidence through smart and intuitive navigation, easy access to workflow solutions and shortcuts, and the ability to preview your documents and print jobs at the device.

## 3. Direct USB

The front USB port allows for convenient walk-up preview, printing and scanning, and is compatible with most printable image file formats.

## 2. 100-sheet automatic document feeder (RADF)

Save time by scanning both sides of your document with robust color-scanning capabilities and an input capacity of up to 100 pages.

## 4. Load multiple media types

150-sheet and 250-sheet input trays and a multipurpose feeder come standard, allowing you to load three media types.

## 5. Lexmark solutions

Reduce unnecessary printing and simplify work processes through solution applications preloaded on your device. Choose additional Lexmark solutions to fit your unique workflow needs.

## 6. Eco-friendly features

Print responsibly with easy-to-access features, including Eco-Mode to reduce paper and toner consumption, and the Sleep Button to help you save energy.

## 7. Front-loading toner cartridges

Cartridges are conveniently located at the front of the device for easy access.

<b>Copy</b>	
	Touch Screen: 10.2-inch Color, Customizable Memory (Min/Max): 1536 MB/1536 MB Copy Resolution: 600 x 600 dpi
<b>Print</b>	
	Time to First Page: As Fast as 9 Seconds (Black); As Fast as 11 Seconds (Color) Resolution: 600 x 600 dpi; 1200 Image Quality Processor: 1 GHz/Hard Drive: 160+GB Connectivity (Standard): USB 2.0 Specification Hi-Speed Certified (Type B), Front USB 2.0 Specification Hi-Speed Certified Port (Type A), Rear USB 2.0 Specification Hi-Speed Certified Port (Type A), Ethernet 10/100/1000 BaseTX (RJ-45) Connectivity (Optional): Parallel, Serial, Wireless
<b>Scan</b>	
	Simplex Scan Speed (Ltr/Black,Color): Up to 32 sides per minute Duplex Scan Speed (Ltr/Black,Color): Up to 16 sides per minute Scan Features: Resolution: 600 x 600 dpi; Flatbed Scanner with ADF Scan Destinations: USB Thumbdrive, E-mail, FTP, IDSS, Network or USB Connected Computer, Windows Network Folder File Formats: TIFF, JPG, PDF, XPS, Secure PDF
<b>Fax</b>	
	Resolution: 600 x 600 dpi Fax Features: Fax Redirect, Group Fax, Manual Fax, Fax from PC, Up to 512-Character Shortcuts, Fax Preservation, LDAP Look-up, Caller ID, Speed Dials, Block Junk Faxes, Broadcast, Fax Shortcuts, Fax Forwarding
<b>Security</b>	
	User authentication and authorization controls including LDAP; Card reader option to add an extra layer of security; Hard disk encryption protects sensitive data on the disk drive; Automatic scheduled or manual disk wiping; IPsec, SNMPv3 and 802.1x network security supported; Security-audit logging to help track and identify security risks
<b>Supplies Yield</b>	
	7,500*-Page Color (CMY) High Yield Toner Cartridges; 8,500*-Page Black High Yield Toner Cartridge *Average continuous black or continuous composite CMY declared cartridge yield up to this number of standard pages in accordance with ISO/IEC 19798.
<b>Recommended Monthly Volume</b>	
	Up to 10,000 Pages/Month
	Contact your dealer about workflow solutions.

<sup>1</sup>Based on approximately 5% print coverage. Actual yields may vary based on factors such as page coverage, image type, job size, print/copy/fax modes, and duplexing.

<sup>2</sup>Recommended Monthly Page Volume is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage.

<sup>3</sup>Maximum Monthly Duty Cycle is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs.
